MAPP COMMITTEE MEMBER INTEREST

- Legislative Action Committee** – Develop and promote legislation to advance the goals of the Association at all levels of government. Review and report on proposed legislation germane to Members of the Association. Protect and enhance the position of psychologists through legislation.

- Membership Committee** – Review and assess all membership applications and conduct membership drives. Coordinate with Clinic Liaisons and Regional Chapters in order to increase MAPP's visibility and active participation throughout the state.

- Board of Directors** – Meets regularly and coordinates all activities concerning LLP's including licensing-legislation changes and third party reimbursement.

- Regional Chapter Committee** – Coordinates efforts within regional areas with MAPP.

- Conference Committee** – Plan conventions, seminars, and MAPP's annual membership meeting.

- Third Party Reimbursement Committee** – Obtaining insurance reimbursement for LLP's.

- Publications Committee** – Prepare and disseminate newsletter and other publications of the Association. Utilize website and email to keep members current on MAPP issues.
